Rob Rubin: I would just ask please, that someone follow through with the Town Recreation Department that the condition of the ball fields after a Little League game is atrocious. There is trash all over. I would hope that the Little League would take responsibility to clean those fields up. I was by one yesterday on Alda Drive and there was just trash all over. It's just unfair to ask the neighbors to clean up and I think the Little League should have a moral responsibility to clean that up and make it presentable for the neighborhood and the rest of the Town to use when the Little League is not using it.
