February 5, 2014

By resolution adopted on February 4, 2014, the Board of Fire Commissioners of the Fairview Fire District authorized the purchase of a 2014 Chevrolet Tahoe, equipped as a specialty service vehicle, to replace the District's 2002 Ford Explorer, which has been declared surplus to the needs of the District, and may be sold or traded in for fair market value. The Board of Fire Commissioners authorized the withdrawal of up to \$45,000 from the Apparatus and Equipment Fund to pay for the vehicle, which withdrawal is subject to permissive referendum.

Sincerely

Cathy Gallinger
District Secretary
