

Fire Prevention Bureau Minutes  
February 2018

Meeting was held on 2/6/18, in attendance were George Finn, Pete Longi, Neil Garrison, Jeffery Renihan, Matthew Woolever, Chris Lewis, Lenny Splain. Items discussed:

- 1- Town Code Sec. 68-69 "Fire safety and property maintenance inspections", not being able to keep up with the required annual and 3 year interval.
  - Possibly hiring part time inspector, (as revenue from inspections pretty much pays for salary)
  - Possibly hiring part time office help to schedule and to schedule follow up inspections.
  - Three town Fire Districts taking over inspection program.
  
- 2- Shady Brook Trailer Park general poor condition
  - Building Department (Wayne) is in process of doing extensive research and documentation of property with owner of property, tenants, owners of trailers, owners engineer and fielding inquiries by possible new owners. Numerous vacant trailer have been posted and placarded already.
  
- 3- Educating Public on Smoke Alarms and Carbon Monoxide alarm. General discussion of inspections (upgrading smokes and CO residential inspections) Multi-dwelling Inspections. Public education being done fire districts. CO incidents at Marist and Cherry Hill.
  
- 4- Look into Joe Willie's Fish restaurant reoccurring sprinkler flow being possibly caused by a water surges.

NEXT MEETING: March 6, 2018, Town Hall downstairs meeting room, 3:00pm.
