Re: Fire Prevention Bureau meeting April 4, 2019 Minutes.

- 1- In attendance Bruce Flower, Lenny Splain, Chris Lewis, Neil Garrison, George Finn.
- 2- Topic of discussion was the presentation last month by Compliance Engine.com, Brycer (LLC) regarding their capabilities to track inspection throughout town. Before any recommendation be made by Fire Prevention Bureau, we need to speak with similar municipalities that went with Compliance Engine to see how it is working out.
- 3- Discussed possibility of upgrading software in order to better track inspections. Discussed possibility of researching the using lap type computers to use in the field. This would address both scheduling and tracking, instead of vending out work and just filing inspection reports. Hand held computers would quicken inspections.
- 4- General discussion of projects going on in town and any problems encountered.
- 5- Next meeting May 7, 2019 3:00pm town hall 1st floor meeting room.
