

Hello Everybody,

We on the Historic Preservation Commission recently received an interesting request. Because of a business relationship with England a local business asked if we would research the early history of one section of our town, Rochdale. Personally, for me, the research proved fascinating. Because this research is still ongoing I will not yet post a summary of the findings (I will post it when completed).

Are you interested in the early history of any section of our Town? If so please contact us with your question and we will be happy to investigate.

We can be reached at qbee5@optonline.net.

Sincerely,
Rob Rubin

P.S.-If you are more comfortable posing the question in person please be our guest at our monthly meeting. We meet the 2nd Tuesday of each month, 7:00 PM, in the white house near Town Hall.
