

# Interested in Learning More About Your Drinking Water?

## **POUGHKEEPSIE WATER TREATMENT FACILITY TO HOLD OPEN HOUSE AND RAIN BARREL BUILDING WORKSHOPS** *Saturday, October 15, 2016 9 AM until 3 PM*

The Poughkeepsies' Water Treatment Facility is holding an open house, Saturday October 15<sup>th</sup>, in celebration of our treatment upgrade. Customers and interested citizens are encouraged to visit your facility between 9 AM and 3 PM to take a tour and learn how much better their water has become.

In addition to tours you can learn how to make your very own rain barrel at one of several hands-on workshops on Saturday, October 15, 2016 at the Poughkeepsie Water Treatment Facility (3431 North Road, Poughkeepsie, NY 12601). There will be 4 different hour-long workshops offered throughout the day at 9:00 AM, 11:00 AM, 1:00 PM and 3:00 PM.

If you are interested in a rain barrel please register by contacting Angela Sullivan at (845) 677-8223 ext.114 or [acs26@cornell.edu](mailto:acs26@cornell.edu). This workshop is provided by the Cornell Cooperative Extension Dutchess County.
