

Earth Hour – March 28, 2009, 8:30pm – 9:30pm

Please join us for Earth Hour on March 28th. This is a global effort to express concern about climate change and to demonstrate a commitment to finding solutions. Over 1,700 municipalities are set to go dark along with many national landmarks including: Niagara Falls, Golden Gate Bridge, Washington, DC, Las Vegas Strip, Sydney Opera House, Eiffel Tower and Sears Tower.

To show your support, simply TURN OFF your lights from 8:30pm to 9:30pm on March 28th!
