

Storm Damage

August 31, 2011

Anyone who has damage due to the storm last weekend should take the following steps to help ensure that the County, and thereby the Town and residents become eligible for individual assistance.

Please follow the following steps:

1. Call your insurance company to find out if any damage is covered and file claims quickly.
2. Take pictures to document the damage and losses.
3. Document all costs related to clean up, protective actions and any contractual services you need.
4. All documented damage, not covered by insurance, should be sent to the Town Supervisor's office: 1 Overocker Road, Poughkeepsie, NY 12603, or faxed to 845-4853701.

FEMA will determine if there are enough individual claims to be eligible for assistance.
