Dear Mrs. Myers:

My Eagle project, to build a shade pergola and an octagonal picnic table for the School for Communication and Learning at the Martha Lawrence site in Poughkeepsie, is now complete and I'm sharing a picture with you. If you can, please pass it along to the other members of your board. You all were very kind to me when I came to your August 24 meeting and made sure my business was voted on.

I'm happy with the way the project turned out, the school is very happy with the end product and now my mother wants an octagonal table too! It should be easier the second time around...

I've gone to several town board and planning board meetings for the Town of East Fishkill as requirements for my Eagle merit badges, as well as your meeting (in the dark because of the power outage), and have a new insight into the workings of small government. I thank you and your fellow legislators for all you do.

Sincerely,

*Matthew Geisler*
