## Town of Poughkeepsie Police Department

### Advisory: The New Hamburg Bridge will be CLOSED beginning Wednesday May 15, 2013.

Hi Mark Fink,

The New Hamburg bridge will be CLOSED beginning Wednesday May 15, 2013. The exact time has not been determined and detours will be in place.

For residents of the New Hamburg part of the Town, you are encouraged to join a special group created on the Nixle messaging service to receive specific information about the New Hamburg area, particularly during the New Hamburg bridge replacement so we do not have to send updates to all Town residents in the future.

The group name is "New Hamburg". You can go to [www.nixle.com](http://www.nixle.com) to join this group or text the keyword "newhamburg" to 888777 (no spaces in the keyword).

For full details, [view this message on the web](#).
