THE AGENDA IS AS FOLLOWS:

ROLL CALL

Old Business

1. **Public Hearing - Area Variance - Sign - Owner: AT&T; Presented by: Timely Signs of Kingston; 15-55 Winslow Gate Road, Grid # 6063-04-946011-0000, Zoned HRDD.** The applicant is seeking a variance from §210-125(A) which permits lettering for signs to have a maximum height of 18 inches. The applicant is proposing two signs each with lettering having a height of 24 inches, requiring a variance of 6 inches. **Unlisted Action.**
2. **Public Hearing - Area Variance - In ground Pool - Owner: Hamar Clarke, 8 Congress Court, Grid # 6162-20-784001-0000, Zoned R-20.** The applicant is seeking a variance from §210-107(C), which provides that all swimming pools shall be considered structures and shall be set back from side and rear lot lines at least 15 feet. The applicant has proposed an in ground pool to be located 6 feet from a side yard and 10 feet from the rear yard, requiring variances of 9 and 5 feet respectively. **Type II Action.**

New Business

3. **Public Hearing - Area Variance - Garage - Owner: Seif Fakhoury, 128 North Grand Avenue, Grid # 6162-20-809189-0000, Zoned R-20.** The applicant is seeking a variance to legalize the current uses which have existed for several decades. This property has contained two residential structures since the 1930s. In 1955, the rear structure, which consisted of a dwelling unit above and a garage on the ground level, was enlarged. At that time, there was no prohibition in the Town Code against having two dwelling units on the

same parcel. At some point after 1986, the garage in the rear structure was converted to living space, specifically, a living/family room and a room containing a quarter bath (toilet only) and washer and dryer. The applicant recently purchased this property and now seeks to legalize that conversion from garage into living space. The current Town Code prohibits two dwelling units on one parcel, making the current use of the property for two dwellings lawfully nonconforming. Pursuant to §210-134(A)(1) of the Town Code, a nonconforming structure may be enlarged or extended one time only after the date that the structure became nonconforming, and then to an extent not exceeding 25% of the gross floor area of the existing structure devoted to such nonconforming use. The Zoning Administrator determined that the conversion of the garage resulted in an expansion of the nonconforming use by 59%. The applicant therefore seeks a variance of 34% from the 25% limitation, and a permit from the ZBA to permit the expansion of a nonconforming use. **Type II Action.**

4. **Public Hearing - Area Variance - Garage/Kitchen - Owner: Sabrina and Jerome Bailie, 9 Orchard Park, Grid # 6260-03-458371-0000, Zoned R-20.** The applicants are seeking a variance from §210-16(E) of the Town Code which mandates that a side yard of not less than 20 feet be maintained, to permit the construction of an addition to the house that would be located 10 feet, 7.5 inches from the side lot line, requiring a variance of 9 feet, 4.5 inches. **Type II Action.**
5. **Public Hearing - Area Variance - Car Port/Sheds - Owner: Sheryl A Seney Trustee, 62 Alda Drive, Grid # 6260-03-250128-0000, Zoned R-20.** The applicant is seeking the following variances from Town Code §210-16(E) and §210-48 to legalize structures that were built in the 1970s:
 - i. For an attached carport, to allow a 6-inch setback where 20 feet is required, requiring a variance of 19 feet, 6 inches (the existing structure will be reduced in size);
 - ii. For an existing shed, to legalize the existing .5' clearance (6 inches) where a minimum setback of 10 feet is required, requiring a variance of 9 feet, 6 inches; and
 - iii. For an existing woodshed, to allow the existing 1.2' rear setback to remain, where a minimum setback of 6 feet is required, requiring a variance of 4.8 feet (the existing structure will be reduced in size. **Type II Action.**
6. **Public Hearing - Area Variance - Addition - Owner: Mohinder Mangat, 13 E Dogwood, Grid # 6060-04-982099-0000, Zoned R-20.** The applicant is seeking a variance from §210-16(E) of the Town Code which mandates that a side yard of not less than 20 feet be maintained, to legalize the construction of an addition to the house that is located 3 feet from the side lot line, requiring a variance of 17 feet. **Type II Action.**
7. **Public Hearing - Area Variance - Deck - Owner: 55 Boulevard Knolls, Grid # 6161-07-676945-0000, Zoned R-20.** The applicant is seeking a variance from §210-16(E) of the Town Code which mandates that a rear yard of not less than 30 feet be maintained, to legalize the enclosure of an existing porch that is located 19 feet, 4 inches from the rear lot line, requiring a variance of 10 feet, 8 inches. Note: The porch received variances for side and rear yard setbacks on February 13, 2006. **Type II Action.**

8. **Public Hearing – Special Use Permit – Driveway – Owner: Ronald Rosen, 212 Wilbur Blvd., Grid # 6160-01-368684-0000, Zoned R-20.** The applicant is seeking a variance from §210-92(Q)(1) of the Town Code which limits driveways to a maximum of 15 feet to permit a portion of the driveway to be 21 feet wide. The applicant also is seeking a special use permit pursuant to §210-92(Q)(3) of the Town Code to permit the parking of a commercial vehicle on the residential property.
