Town of Poughkeepsie

RESOLUTION 7:20- # 2 OF 2022

WHEREAS, the intersection of Fairview Avenue and Cedar Street is currently controlled by a traffic light, and

WHEREAS, the Town commissioned JMC Traffic Engineers to study whether that intersection could be controlled by means other than a traffic light, and

WHEREAS, JMC reported that the intersection does not warrant a traffic light, and recommended the installation of stop signs on Fairview Avenue North and South, and

WHEREAS, after consideration of the site distances at that intersection, the grade of Cedar Avenue approaching it from the west, the width of Fairview Avenue, and the apparently prevailing speed of the vehicles passing through the intersection, this Town Board believes that controlling it with a four way stop sign would further enhance traffic safety, notwithstanding that the study did not report a warrant for them, and

WHEREAS, the installation of traffic control devices is a Type II action under SEQR requiring no environmental review, now therefore,

BE IT RESOLVED, that the Town Board of the Town of Poughkeepsie does hereby set the 3rd day of August, 2022 at 7:00 p.m. at the Town Hall, Town of Poughkeepsie, One Overocker Road, Poughkeepsie, NY as and for the time, date and place of a public hearing to determine whether to adopt a local law modifying Town Code, Chapter 195, entitled "Vehicles and Traffic", specifically §§195-36.
