Introduction

The Town of Poughkeepsie ("Town") seeks to improve the delivery of services to Town residents by consolidating services, functions and facilities where possible. The Town has retained CR Properties to market specific Town-owned properties, and the potential proceeds of those sales could be used to reduce the Town’s net cost to consolidate its Town Hall administrative, Police/Court, Water, and Sewer Departments into a single location.

The Town has also engaged in preliminary discussions with representatives of the Arlington Fire District ("AFD") regarding the potential inclusion of the AFD’s administrative, fire, rescue and ambulance service facilities at the consolidated location.

This Request For Proposals ("RFP") seeks to advance the Town’s goals of finding a suitable location for a new consolidated Town Hall, Police/Court, Water, Sewer and other administrative services facility with the Arlington Fire District, and maximizing taxpayer savings and value.

The Town seeks professional advice regarding the overall feasibility of such a site consolidation. As detailed in the Scope of Services section, the successful Proposer(s) will gather data on current facilities and prepare and evaluate future needs, options and costs for the Town and the AFD.

Proposals will be received until May 8, 2018 at 12:00 p.m. by Town Clerk Felicia Salvatore at the Town of Poughkeepsie Town Hall, 1 Overocker Road, Poughkeepsie, New York 12603.

A Mandatory Pre-proposal Meeting and tour is scheduled for 9:00 a.m. on April 20, 2018 beginning at the Town Hall.

Copies of this RFP may be obtained from the Town Clerk at the above address, and it is available online at www.TownofPoughkeepsie.com/bids.
The Town reserves the right to reject any or all proposals, to waive any informality in any proposal, to accept one or more proposals, and to negotiate a contract with one or more Proposer(s), all in order to best serve the interests of the residents of the Town and the AFD.
