Subject: Eastdale Village Macdonnell Heights Town Center Project

Hello:

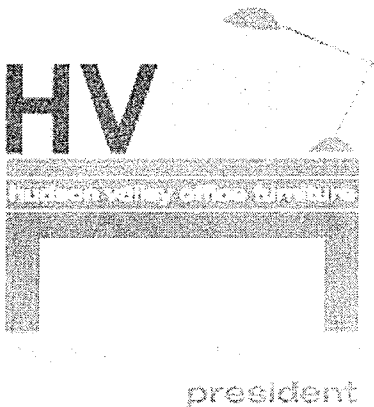

I will be unable to attend the Planning Board Meeting scheduled for this Thursday, 10/19 where the Macdonnell Heights Town Center Project will be discussed. I would still like to show my support for this project.

As a lifetime Poughkeepsie resident, I am in full support of the Project and feel it will be a huge benefit to the area. The Developers have a long successful track record of completing high quality projects that are more than appropriate for the areas they are situated. Their vision for the project is a bold step forward and one that I support 100 %.

My family and my business are all in favor of this project, after careful review, moving forward towards a successful completion and being a sought after destination in our Town.

Sincerely,

Steven J. Chickery
